

# Wall-Mounted Drinking Fountain A Simple Solution

## FONT 10 Wall-mounted Drinking Fountain

### Description

#### FONT 10 (Unchilled Mains Water) Wall-mounted Drinking Fountain

The FONT 10 Offers a simple solution to a growing need for accessible drinking water in schools and sports centres amongst other locations. The S/S FONT 10 comes with a non stick "joy stick", instead of a push button bubbler. It is suitable for indoor or covered outdoor installation. It is set up for mains drainage. The FONT 10 simply connects straight into the mains supply and does not include a chilling unit as standard.
