

Ezytap 85

The Ezytap range is made up of 6 different model variants, each with slightly different specs and performance. Check out our model breakdown table on our website to compare each model and see which ones best for you. The Ezytap 85 is an ideal option for those looking for a stylish tap that doesn't take up too much counter space. Comes with a pumped 8ltr undersink boiler. To add chilled water dispensing, add our UC800M undersink chiller to your order.

- 18.5cm dispense height
- Ambient & hot or chilled & hot models available
- 28ltrs/h hot water dispensing
- Touch screen control panel
- Hot water safety lock function
- Stylish design with two compatible drip tray options

Accessories

Installation Rail & Filter

Includes compression fitting, 1-micron green filter, water block, copper pressure reducing valve & non-return valve. Multiple filter options available including Brita C150 scale filters.

UC800M Undersink Chiller

Add our UC800M undersink chiller to your Ezytap order to replace ambient with 11.5L/H of chilled water.

Ezytray 2

Circular stainless steel, integrated drip tray. Specifically designed for the Ezytaps, it features a grill and mains waste drainage.

Ezytray 3

Rectangular stainless steel, integrated drip tray. Specifically designed for the Ezytaps, it features a grill and mains waste drainage.
